Important Notes

- All amounts are in Indian Rupees (₹).
- All EMI Amounts shown are inclusive of principal and interest components.
- The repayment schedule is indicative and subject to change based on prepayments, rate revisions, or restructuring.
- In case of any discrepancy, the records maintained by Lendingkart Finance Limited shall be treated as final.
- For queries related to this schedule, please contact us at care@lendingkart.com or call 1800-542-0202 (Toll Free).
- 'Upcoming' instalments are subject to change if any prepayment or part-payment is made before the due date.
- 'Overdue' instalments continue to accrue applicable charges until the outstanding EMI(s) are cleared; see EMI Bounce / Overdue Details above.

All applicable fees and charges associated with your loan account are detailed in our Schedule of Charges available at [Schedule of Charges](#).

Disclaimer

The information contained in this statement is based on records available in the Loan Management System of Lendingkart Finance Limited as on this date. Customers are advised to verify the details and report discrepancies, if any, within 7 working days from receipt of this statement. Interest calculations, overdue amounts, and outstanding balances are subject to system validations and applicable loan terms. This document is intended solely for informational purposes and should not be treated as a legal confirmation of closure or settlement unless explicitly communicated by the company.
